

Your sleek vending ally

Just when you thought that your vending business couldn't get any better, SandenVendo launched the sophisticated G-Snack Design Slave automatic vending machine. Engineered to function with any G-Caffè, G-Drink and G-Snack master machine model that holds the selection panel and a single payment system, G-Snack Design Slave is the refined, hi-tech vending solution that will serve as a proper business ally to your existing vending installation: try pairing it with a G-Caffè vending machine and let your customer indulge in a treat to combine with an authentic Italian espresso.
